

STATE OF MIND

If you think you are beaten, you are
If you think you dare not, you do not
If you like to win but think you can't
It's almost certain you won't

If you think you'll lose, you've lost
For out in the world you find
Success begins with a fellow's will,
It's all in a state of mind

Full many a race is lost
Before a step is run
And many a coward falls
Before the works begun

Think big and your dreams will grow
Think small and you'll fall behind
Think that you can and you will,
It's all in a state of mind

If you think you are out-classed, you are
You've got to think high to rise
You've got to be sure of yourself
Before you can win a prize

Life's battles don't always go to the stronger or faster man
But, sooner or later the man who wins
Is the man who thinks he can,
It's all in the state of mind.
